Dear Friends of Lifeline,

Thank you in advance for taking the time to read the enclosed 2013 news letter.

The mission of Lifeline is the Great Commission, set forth by the Lord Jesus Christ and we do this in a variety of ways from the Bashor Children's Home Ministry to the Elkhart County Jail Ministry, we evangelize and minister on the streets of our cities, we love blessing folk and sharing Jesus during our annual Christmas Box Outreaches. Plus, in the warm weather months we share Christ in a powerful way during our Block Party Outreaches.

In this current newsletter we will be highlighting some of our recent outreaches and let me tell you, it has been incredible! The Bashor Ministry has been over and beyond what I was anticipating. We recently had our first "one-eighty" event and most every student attended. The altar call was amazing! And many signed up for a Bible Study that we will be starting soon.

Also in this newsletter, we will be sharing how the Christmas Box Outreach turned out, the neat things going on in the Elkhart County Jail Ministry, plus the great things God is doing with us as we team up with the Teen Challenge here in Elkhart.

We do so appreciate your prayers and support of Life Line Outreach Ministries and for helping us to fulfill the great commission of winning souls for Christ.

Thank you again from the bottom of our hearts for holding us before the Lord as we seek to share His love and grace with those who do not yet know Him.

Being light in a dark world,

BASHOR UPDATE!

LIFE LINE OUTREACH MINISTRIES Newsletter 2013

We at Life Line Outreach have been going into the Bashor Children's Home for several months now. The Lord opened the door, last year, when South Bend Juvenile closed in July. That was when we had the concert at Bashor with PS150 and soon after that we started coming in on a twice a month schedule.

The mission at Bashor is simple, "love on the kids!" while we build relationships and interaction with them. We play board games, we play basketball with the guys, and we even have been teaching guitar. The whole reason for this relationship building is for God to tear down those walls that separate trust and openness. So many of these young people have been hurt, and many have made poor decisions; most have built so much separation around themselves, that it is even difficult to have a sixty second conversation with them. But we know that nothing is impossible with God!

So that is our plan and strategy, if you will. And it's working, the guys are opening up and we have had moments of good dialog and interaction. And as we felt as progress was getting made we launched out to have a campus wide meeting called the "180 event." At this event everyone at Bashor was invited and we had some music, we ministered the Word of God, we shared some testimonies and called the students up for prayer, to make a "180" move away from sin and to move forward following Jesus.

It was a blast!! We had some fun- we allowed one of the students to perform a couple of songs. We also blessed the students with some awesome gifts. It was a great time!

PASTOR SCOTT PREACHING

Pastor Scott Phenis, delivered a powerful message to the students, sharing how God uses the insignificant things to complete His will. He shared the Bible account (John 6) on how Jesus used a little lads insignificant lunch of five loaves and 2 fish to feed over five thousand people.

Pastor Scott went on exhorting the students that even though they may feel insignificant, they are precious and important to God and how God can totally change a life if we come to Him. Amen!

A GREAT TURNOUT!

(CONTINUED ON BACK SIDE)

It was a powerful word and many students came forward for prayer. We're excited! In fact, I am total overjoyed, because over twenty students signed up for Bible study! Praise God! Please keep the Bashor students in prayer. Please pray for the Lord to give us wisdom and His continued direction and His plans at Bashor. Amen. Thank you!

OVER TWENTY STUDENT SIGNED UP FOR BIBLE STUDY

A big shout Of "Praise God!" for our new Life Line Generator!

Thank you God for this awesome tool for the ministry!
Also, a shout of "thanks!" to all the Life Line supporters!

Over the summer we finally were able to get our own generator for all of our ministry events.

Since many of our outreaches are outdoors and we set up in obscure places like empty lots, vacant fields, parking lots, etc. the accessibility to electricity is almost nonexistent. This unit will deliver all the electrical power we need for all of our sound equipment and other items like the air pumps that are required to constantly run to keep the bounce house inflated.

In the past we have been limited, always having to set up close to an electricity outlet and then drag long extension cords. Now, we can be more flexible setting up our outreaches anywhere we wish...Well, almost anywhere...lol. Again, we praise our God for His provision!

TEEN CHALLENGE CHRISTMAS CHAPEL SERVICE UPDATE

LIFE LINE OUTREACH MINISTRIES Newsletter 2013

It is an honor and a privilege to be connected with the North Central Indiana Teen Challenge. I totally love the heart and vision of what Teen Challenge is about, "discipleship" and "evangelism." David Wilkerson founded the ministry in the late 1950's- it is now world wide and it is impacting lives everywhere.

Late last year, God connected Life Line Outreach with this ministry here in Elkhart, IN and it has been awesome! Many of the brothers here at TC have been involved in helping and serving at our outreaches, either on the streets or in the facilities and what is really neat about this, is that for many of these guys it's their first experience in outreach and evangelism. This gives them the opportunity to give back and to show the love of Christ, that they themselves have experienced.

A big shout to the director of NCITC Andy Collins, and the staff at the Elkhart Teen Challenge, they are making a difference in these men's lives as they teach, mentor and disciple these guys.

On December 7th, 2012, it was an honor and a blessing for us at Life Line to lead the Chapel Service at TC. In fact, we made a whole evening of it by getting pizza for the guys before the service, we also, with the help of my Pastor Jeff Cooper, and the worship team of Christ's Kingdom Fellowship lead the pre-service prayer time and the worship time. It was anointed and powerful! Then, I was able to share a message the Lord put on my heart, about never turning back. Sharing what Jesus told us, "Remember Lot's Wife!" The altar time was powerful, as several men came forward for prayer and to seek God. God moved and touched lives!

FOUNDER DAVID WILKERSON

Teen Challenge is a 12 -15 month Christian rehabilitation program for men who are 18 years and older. They deal with life controlling problems- drugs and alcohol are the most predominate issues. Jesus and knowing Him is the key to the program, which will bring a total life transformation! The program has incredible success rate.

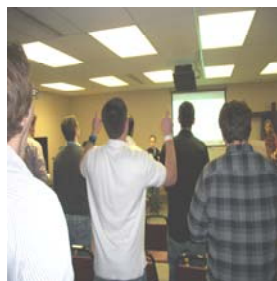

THE NIGHT STARTED WITH PIZZA!!

PASTOR JEFF LEADS PRE-SERVICE

CHRIST'S KINGDOM FELLOWSHIP LEAD A POWERFUL WORSHIP TIME

GOD PUT A MESSAGE ON MY HEART ENTITLED: "REMEMBER LOT'S WIFE!"

We concluded the evening with blessing each man at the center with his own Christmas gift bag, filled with Christian books, a cross necklace, some candy and commissary items. All these guys are away from family, and many don't even have family visiting them, so it was a blessing to give them something for Christmas. We at Life Line say "thank you" to those who partner with us and give financially. You all make this possible, and we bless you for that in Jesus name!!

After we passed out the Christmas gift bags it was time for some cake and fellowship! It was neat hanging out and spending some time with the guys, talking to them and encouraging them. I can assure you that God is doing a work in many of these men's lives and I know tonight was a small part of it. Amen!

Please keep TC in your prayers.

It was an incredible evening!

A WORD ON GIVING

One of the purposes of this newsletter is to communicate with you, our friends, what Life Line Outreach Ministries is doing to fulfill the Great Commission. We strongly believe that this is our mandate, to reach people for Jesus. Jesus said "Go into all the world and preach the gospel to everyone." And we have a mission field right here in the United States. I thank God for over seas missions, but right here in our own homeland we are ripe for revival. The USA is a mission field! I believe that God is not done with America! People need Jesus right here in our neighborhoods and in our cities; more and more young people are

in-different to the Gospel, the Church, and to God. It's sad! But I know there is hope-because with God all things are possible! I believe that! Our Lord Jesus still saves, He still heals and He still delivers! Amen!

Please prayerfully consider being a financial supporter to this ministry. I am not into making big appeals in regards to asking for funds, nor will I result to gimmicks or guilt laden tactics. I'll just say this, "It takes all of us to do our part-We are the body of Christ, we are in this together." Amen!

As you take the time to look at this newsletter you can see what we are all about and what we are doing to reach people for Jesus. Please know that all funds given to this ministry will be used for soul winning and helping the needy. Jodi and I have full-time jobs, we are workers, we believe in working. Our jobs, which are a blessing from the Lord, are the financial means by which we pay our bills and put food on our table. Please know that no funds given to Life Line Outreach Ministries will be used for anything other than outreach, benevolence, soul winning and ministry. Please pray and if you would so desire to support Life Line please see the information below. Thank you and God bless!

Step Out Of The Boat

Article by Steve Ignowski

I love the Bible account of Peter stepping out of the boat, because it speaks to me how we as mere humans can launch out beyond the comfortable and normalcy. It speaks to me on how just one word from the Lord- acted on in obedience, can be impacting and life changing! Amen.

It's exciting to know that we don't have to be limited to those around us. We don't have to be boxed in by those who allow lack of time, fear or something different- hold them back. So many church folk are on a cycle of routine and normalcy. To put it simply, they are in a rut! But it doesn't have to be that way. No, we can launch out and do great things for Jesus, beyond the common and beyond the average.

Paraphrasing the Bible account in Math 14: 22-33, Jesus sent his disciples into the boat to go ahead of Him to the other side of the lake. After Jesus prayed He came to them, walking on the water! They became fearful and terrified; they thought Jesus was a ghost. Jesus called out to them to take courage and be not afraid. It was then that Peter replied back to Jesus and asked Him, "Lord, if it is you, command me to come to you on the water." then Jesus spoke back, "Come." So Peter stepped out in obedience of the Word, toward Jesus walking on the water! Amen.

Yeah, I know, Peter seen the wind and waves he became fearful and started to sink. But remember this, immediately Jesus reached out to Peter and saved him from drowning. (I like that word "immediately.")

Please remember this, when we step out in obedience to the Word of the Lord, God has our back. Amen. He is watching over us, He is right there with us. That is reassuring to me; it gives me the added courage knowing He is always there to help us- We need to always remember that. Praise you Jesus!

I'm sure the other disciples reminded Peter how foolish he looked by almost drowning. I bet they also brought to his attention that he was fearful and took his eyes off of Jesus. I'm sure a couple of them even took him aside and rebuked him for even stepping out in the first place. They probably said something like, "Peter, see what happens when you go against the norm? You need to stay in this boat like the rest of us." – "Just follow what we do Peter and you'll be OK?" Really? I say "no way!"

I commend Peter for stepping out of the norm and the complacency of religion. I salute his effort of stepping away from cliques' and tradition of men that hold so many of us back that we end up doing absolutely nothing for the kingdom of God! I thank you Peter, for showing us that "we walk by faith, not by sight!". Thank you Peter, for being an example, that without faith it is impossible to please Him, for he who comes to God must believe that He is a rewarder of those who diligently seek Him!" Amen.

Let's launch out this year for souls! Let's launch out to advance the Kingdom! Let's launch out past the norm and mundane of religiosity! Amen! As we move into 2013 let us remember the example that Peter gave us and Let us "step out of the boat."

CHRISTMAS BOX OUTREACH UPDATE

LIFE LINE OUTREACH MINISTRIES Newsletter 2013

God lead us to nine families who we knew were in a very needy situation. Many of the families we connected with were either working temporary day labor jobs, or they were unemployed. In fact one of the families we were able to help was a single mother with four children. Things have been really rough for her lately, as she was recently homeless for a short time. She was so appreciative to receive a Christmas box with food and presents for her kids. It was such a blessing helping her, sharing Jesus with her, and praying over her.

The one nice thing about this years outreach was the intimacy we had with each family we blessed. By having a scheduled time that we arrived, this allowed us to fellowship with the families. We shared and they shared. We testified and exhorted the awesomeness of our God- Jesus! We laughed, we cried, we hugged. Words in some way can't describe how the day went, especially in light of the Connecticut massacre, which happened the day before this outreach. People are emotional and many of the families we talked to are fearful. So it was a blessing to minister Jesus with everyone, because it is only through Jesus that people can receive true peace! He is the Prince of Peace! Amen. It was a blessing to offer comfort to the families as we prayed for the Lord's protection over each family member, including their children.

Each Christmas Box Was loaded to the top... Including a 5LB Canned Ham

Some awesome fruit from today's outreach:

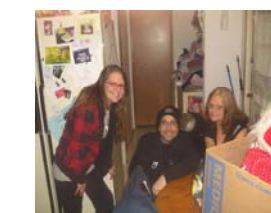

We were able to pray for Nikki and her Mother as they called out to the Lord for forgiveness and salvation!!

Also, a man named Mike, who I work with, he is struggling financially. He was one of the nine families, he cried out to Jesus this day to forgive him of his sins. Amen!

A shout of thanks to all who partnered with us in prayer and finances!

It's been one full year that Life Line Outreach Ministries has been going into the Elkhart County Jail, and I can personally tell you that it is a complete blessing and it is going awesome!! What a privilege it is to go into the jail and minister to the guys!

We have built some awesome relationships with the guys. Many of them are waiting on sentencing with the courts, or they are waiting to go to a state facility and during these waiting times, which might take up to 6-18 months, many of the guys come on a regular basis, which is powerful as it allows them to be disciplined and experience the Lord and grow in the things of God!

***WE MEET IN A CLASS ROOM FOR
OUR MEETINGS***

***LIFE LINE GOES INTO THE
ELKHART COUNTY JAIL TWICE A
MONTH***

By building an accord and building relationships with the guys, and teaching them the Word, this has allowed the group that attends to grow. The men are encouraged to minister to the new inmates in their cell blocks and to have them sign up to come to our Thursday night meetings. Amen.

One of things we share with these guys once we know that they have a relationship with Jesus, is that they can be used by God right now, right where they are at, even in their jail cells. Amen! Many of these guys are on fire for the Lord, as they have truly experienced a living Savior! This is an encouragement to them to know that God will work through them right now.

ELKHART COUNTY JAIL

The way the Lord directed me to lead the ministry at the jail was to start with Praise and Worship. And since it's not allowed to bring instruments and a band into the jail, we do the next best thing; we bring in DVD recordings of live anointed worship. Each room has a TV/DVD, so this allows us to praise and worship God together. Music is powerful and it is spiritual; it sets the atmosphere for the meeting

We always allow the Spirit of God to have His way during the service. After the praise and worship we get into the Word and teach & preach the messages God has laid on our hearts. We also make opportunity for the men to testify and share prayer requests. And being lead by the Spirit, we minister one on one sharing more personal with the guys. We always offer opportunity for the men to get right with the Lord and with the group growing, it seems like every week new men are coming in, we have seen many men call out unto Jesus for salvation.

God is doing some great things in the Elkhart county Jail. Please keep the jail ministry in your prayers.
